	On the above date and time, I was traveling west on I-40 near exit 100. I began to pass a white Chevrolet passenger car with a hispanic female driving and a hispanic male in the passenger seat. While I was on the passenger side of the vehicle I noticed it make a sudden jerk towards the yellow line. I then slowed down to pull behind the vehicle, however while I was doing so the vehicle made a lane change without using a turn signal. While behind the vehicle I noticed the it

make jerky movements over the course of half a mile inside it`s lane of travel. Once I turned my emergency lights on the vehicle began to slow down and finally stopped on the off ramp in the lane of travel.

While I was approaching the vehicle I detected an odor on alcohol emitting from the passenger area of the vehicle through the open drivers window. I asked the driver (Reyna Olivo) for her license and registration. While Olivo was gathering the items, I asked where they where traveling from. Olivo stated they were coming from Le Paso. I asked Olivo if she had been drinking and she stated "I had one margarita at Le Paso". I noticed Olivo`s eyes were red and glassy and when she spoke I could smell a strong odor of alcohol emitting from the open window.

I asked Olivo to step out of the vehicle to determine if the smell of alcohol was coming from her or the passenger (Israel CorneJo). Once Olivo was out of the vehicle I could still smell a strong odor of alcohol coming from Olivo`s person. During the time Olivo was stepping out of the vehicle she kept three points of contact and then began to set on the front of my patrol car.

I initiated standardized field sobriety test (horizontal gaze nystagmus, walk and turn, and one leg stand) to form my opinion on Olivo. Olivo performed the tests poorly and I formed the opinion that Renya Olivo had consumed a sufficient quantity of an impairing substance so that her mental and physical faculties were appreciably impaired.

PSO Goforth administered an Alco-sensor test and the test confirmed the presence of alcohol on Olivo`s breath.

I arrested Olivo for driving while impaired and then transported her to Burke Catawba for the Intox EC/IR II test to which she submitted. The Intox EC/IR II showed a BAC of.14.

I then transported Olivo to the Magistrates Office were she received a \$750 secure bond for driving while impaired. I then transported Olivo to Burke Catawba where she is confined.

The vehicle was pulled out of the roadway and left with CorneJo.
