Sterling St Apt B Morganton, NC 28655). Branch had a motorcycle permit which has a restriction 18 (no passengers). I cited Branch for violating his restriction and he went back home leaving the defendant standing on the sidewalk. The defendant had a pink cloth bag and the motorcycle helmet in her possession. The defendant stated she would call someone to come get her.

I ran the defendants name through NCAWARE and found she had an outstanding order for her arrest. I took her into custody and brought her to the rear of my car to be searched prior to placing her in my car. I asked her if she had any guns, knives, drugs or anything that may kill me on her. She told me no. In her front right shorts pocket I felt a small thin object. I started pulling it out and the tip came off as it got to the opening of the pocket and my thumb brushed against a smaller sharp tip. The part that came off was a orange syringe cap and I saw that the sharp tip that my thumb had brushed against was the needle point. I recapped it and secured the syringe. It had been used and had residue visible inside the barrel.

We then asked her if there was anything else and she said no there wasn't. I asked her if there was anything in her bag. She told me that the bag was not hers that it was her friend Morgans. There were several clothes in the bag. A white pair of shorts had a glass "meth" pipe in one of the pockets. A small plastic box (typically used for hand wipes) was also located in the bag. In the box was several small plastic baggies. Several appeared to have a whitish residue in them and some were clean. There was also a small black cloth zippered bag inside the box. Inside it was another syringe (unused), a set of metal tweezers, a plastic stirrer, a blue plastic spoon and several more plastic bags. There was also one plastic bag that contained what appeared to be a dosage unit of Methamphetamine. A field test of a small piece of indicated it was Methamphetamine. I also located a torn piece of a power bill with the defendants name and old address (1001 Praley St) on it in the black bag. The defendant stated several more times that the bag was not hers. The bag however matched her clothing (as females do tend to match clothing and accessories). She was wearing a pink tank top, pink jacket and dark gray shorts. The bag was the same shade of pink as her clothing. Inside the bag we located a wallet (also pink). In the wallet was social security cards for the defendants children, pictures of her children and a bank card for the defendant. There was also another bank card with the defendants name loose in the bag. We also recovered \$130.00 in cash and seized it since it was in proximity of the narcotics and paraphernalia.

I brought the defendant before the magistrate and served her with the order for her arrest and the new drug and paraphernalia charges I swore to. While there Captain Whisnant asked her where her children were. She was evasive in answering him. She stated that her children were with her father and later with her friend Tiffany Poovey. Due to her condition, the serious charges on the order for arrest and the drug charges it was decided to refer the incident to DSS for them possibly investigate. The defendant was given a total secured bond of \$15000.00. The first appearance for my charges was set for 07/07/2014.

I transported the defendant to BCDF for fingerprinting and photographing. During the fingerprinting process I noticed a very fresh needle mark on the inside of the defendants arm. It was raised and still had a spot of fresh blood. I finished processing the defendant and she was turned over to BCDF for holding.

I placed the drugs and paraphernalia into evidence under tag # 21228. The money was placed into evidence under tag # 21227. I will refer the case to BCNTF for them to take over the investigation.
