| | On 07/02/2014 at around 2:16 am, PSO Gillstrap advised on the radio that there was a vehicle on I40 Westbound heading toward exit 100. PSO Gillstrap also advised that the vehicle was weaving and that it may be an impaired driver. PSO Gillstrap advised that the vehicle was a red pickup truck. I caught up to the vehicle on I40 Westbound near mile marker 99. We were traveling West on I40 Westbound in the right lane at approximately 70 MPH. Within approximately 1/4 of a mile | | | | | | | | | | | |

distance, I observed the red pickup truck weave to the right three times touching the white fog line. At this point, I initiated a vehicle stop.

I turned on my blue and red lights to initiate a vehicle stop. I followed the red pickup truck onto exit ramp 98. We stopped on the side of the road on Causby Rd. The road was lit by street lights. As I approach the red pickup truck, I observed two male subject in the vehicle. They were smoking cigarettes. As the driver opens the driver side window, a heavy cloud of cigarette smokes exited the vehicle. As the smell of cigarette smokes disappear, I started to smell a slight odor of alcoholic beverage. I identified the driver to be Steven Wright and the passenger to be Eric Simmons. I asked Wright how much he had to drink. He informed me that the had 2 or 3 Bud Light beers a few hours ago. At this point, I asked him to step out of the vehicle.

I wanted to make sure that he was able to drive home, so I asked Wright to perform the Standardized Field Sobriety Tests. Wright consented to the tests. Since Wright was taller than I am, I had Wright leaning against the hood of my patrol vehicle facing away from the blue and red lights in order to perform the Horizontal Gaze Nystagmus. As I continue to speak with Wright, the smell of alcoholic beverage got stronger. I can tell the smell was coming from his person on his breath. I continued the Standardized Field Sobriety Tests by instructing and demonstrating the Walk and Turn Test and then the One Leg Stand. Wright did not performed the test to my satisfaction. Based on his performance, I formed the opinion that Wright had consumed a sufficient quantities of an impairing substance such that both his mental and physical faculties were appreciable impaired. PSO Gillstrap and PSO Huffman administered the alcosensor which resulted positive. At this point, I placed Wright under arrest.

I then transported Wright to Burke-Catawba reference to intoxilizer test. PSO Stotts administered the intoxilizer test which resulted .16. I transported Wright to the magistrate`s office. Wright was brought before magistrate Clark. I advised Wright of his court date and his bond. I then transported Wright to Burke-Catawba and cleared without further incident.
