	Mr. Williams was located at the address on file with his mother. Mr. Williams cried loudly though out the encounter but was taken into custody without incident. I explained the warrant to Mr. Williams but he continued to cry. Based on my encounter Mr. Williams appears to have severe metal problems and seems to have a functional level of a 5-8 year old. He has limited communication and reasoning skills. Alerts in his file reflect this, but his limited understanding should be noted
