ARREST REPORT (Additional Narrative)

fell asleep with the vehicle in park but still running. A witness, Karcree Surratt (828-390-9130), approached the vehicle on the drivers side and tapped on the window several times in an effort to wake Romero. Surratt stated that when Romero woke up he turned the ignition off in the vehicle, said that he was just sleepy and then fell back asleep. PSO Connor and Capt Whisnant advised me that when they arrived on scene they observed Romero in the drivers seat, seat-belted fastened, with the keys still in his hand. Both officers asked Romero to step out of the vehicle. While speaking with Romero I noticed an odor of an alcoholic beverage coming from his breath. I asked Romero where he was coming from and he stated that he had just left a wedding that took place at the Burke County Fair grounds. I asked Romero if he had anything to drink that night and he replied yes. I asked Romero what he had to drink, how many, and how big in volume each drink was. Romero replied that he had eight 12oz beers that were in cans. I then asked Romero if he drove from the Fair Grounds to the parking lot and he said yes. At this point I smelled an odor of an alcoholic beverage coming from Romero. PSO Beaver conducted a series of standardized field sobriety tests on Romero in a level area of the parking lot and in front of the patrol car so that the headlights would provide additional light (see PSO Beavers supplement for results). After the tests were completed it is in my opinion that Romero consumed a sufficient quantity of an impairing substance in which his mental and physical faculties were appreciably impaired. I then placed Romero under arrest for Driving while Impaired. I then transported Romero to Burke Catawba to obtain a sample of his breath. When I arrived I was advised that Burke Catawba was backed up in their Intox room. I then transported Romero to CMC Morganton where I was going to attempt to retrieve a sample of his blood. On the way to CMC Morganton I contacted PSO Jeff Gillstrap and advised him of the situation. PSO Gillstrap contacted the BAT mobile and advised Myself and PSO Beaver to re-route back to Burke Catawba and the BAT mobile would meet us there shortly. PSO Beaver conducted a chemical analysis of Romero`s breath. After receiving the results of a 0.10 BAC. I transported Romero to the Magistrates Office where he was given a secure bond of \$500.00. I then transported Romero to Burke Catawba where he was left in the custody of the jail staff.
