	On the above date and time, I was driving on Jamestown Rd. when I noticed a vehicle coming toward me with an out headlamp. I turned around and got behind the vehicle and then I initiated my blue lights when we were on I40 going west; just past exit 100. I approached the vehicle on the driver's side of the vehicle where I recognized a man sticking his head out of the driver window. I spoke with the subject and asked for his license. While I was speaking to him I noticed that <div style="text-align: right;">** Continued **</div>

ARREST REPORT (Additional Narrative)

Agency Name Morganton Department Public Safety	ORI 0120100 B0003	Date/Time Arrested 06/15/2014 02:49	OCA 201403806
Arrestee Name ROSS, JACOB DAYLEN			Arrest Number 104890

his speech was very slow and words were drawn out. I went back to my vehicle and searched the driver, Jacob Ross, through Cjleads. I noticed that he had past with law enforcement such as breaking and entering, eluding arrest, firearm by felon, and various other things. Once PSO K. Puckett arrived I asked Ross to step out of the vehicle and then asked if it would be alright to search the vehicle. Ross said that is fine. Once I opened the driver`s side door I could smell a very strong odor of alcohol. I looked under the driver`s seat and found an open Bud Light can that still had a little bit of beer in it. I pulled down the center console and found 2 unopened Michelob lights concealed in the console. I made my way to the passenger side and noticed an open Michelob light bottle under the passenger side floor mat and the alcohol had already been consumed.

I took both of the open containers to the back of the truck where Ross was and I asked him to be truthful with me and then I asked him how much he had to drink. Ross stated that he only had three beers. I called for a unit with an alcosensor to meet me at that location. PSO Goforth arrived and he administered the alcosensor test and Ross blew a .13. I then gave Ross SFST`s which he did poorly and then PSO Goforth gave him another test. On the second test Ross blew a .11; sixteen minutes after the first test. I then placed him in handcuffs and advised dispatch I was en route to Burke Catawba. PSO K. Puckett then administered the Intox EC/IR II at Burke Catawba. The reading was .10.

I then transported Ross to the Magistrate`s Office where he received a \$3,000 secured bond. When finished at the Magistrate`s Office I took him to Burke Catawba were he will be held.

All information for this report has been undated and verified.
