ARREST REPORT (Additional Narrative)

Agency Name High Point Police Department	ORI 0410300 H0001	Date/Time Arrested 08/07/2014 17:29	OCA 201423525
Arrestee Name MOCK, TERRANCE JERMAINE			Arrest Number 2690746

Since the beginning of 2014, the High Point Police Department has responded to several drug related calls at a 1005 East Kearns Avenue. Furthermore, High Point Police patrol officers have also initiated several voluntary encounters of individuals leaving the above address and some of those have resulted in drug related arrests.

Based on Officer Jones's knowledge of a 1005 Kearns Avenue and the totality of the circumstances, Officers Jones, Sizemore, Needham and I decided to conduct surveillance at the residence in order to confirm or dispel the concerned citizen's information prior to responding to the residence. Officer Needham positioned himself in a covert location where he was able to maintain a clear constant visual on the residence. Officers Sizemore and Jones positioned themselves close to the perimeter of the residence. I was positioned stationary near the intersection of Jefferson Street and Lake Avenue, which is to the southeast of 1005 East Kearns Avenue. All involved officers were operating on channel (I) on our issued police radio in order to relay information obtained from the observation point of view to each other.

Approximately thirty minutes into our surveillance, Officer Needham advised that a blue Chevrolet with rims occupied by an unknown black male subject had just left the residence. Officer Needham advised that the vehicle was travelling westbound on East Kearns Avenue towards College Drive. Approximately three seconds later, I observed the vehicle made a right turned onto Jefferson Street from E. Kearns Avenue. The vehicle started to travel towards my location; however, the driver made an overt abrupt turn into the parking lot of a church located at the intersection of E. Kearns and Jefferson Street as he observed my patrol vehicle.

Based on my training and experience, the driver of the vehicle's abrupt turn onto the parking lot of the church, coupled with my prior knowledge of the residence, led me to believe that the driver of the vehicle had either committed a crime or was in the process of committing a crime. I drove towards the parking lot of the church in order to conduct a voluntary encounter with the driver of the vehicle. I parked my vehicle on the lot of the church approximately fifty feet from the subject's vehicle. It should be noted that I did not activate any of the emergency equipment in my patrol vehicle and at no point was my vehicle in the way of the subject's vehicle. As I was parking my vehicle, I observed the subject walking away from the blue Chevrolet towards 1120 Jefferson Street. I exited my vehicle and asked the subject if I could speak with him. The subject stopped and advised that he was just going to his brother's house. I asked the subject if he had a valid driver's license, he stated no and that he only has a North Carolina identification card. I smelled a strong odor of marijuana emanating from the subject as I got closer to him. Due to the Plain Smell and the Carroll Doctrine, I detained the subject in order to search him and his vehicle for marijuana. Officers Sizemore, Jones and Needham, along with K-9 Officer Wolf and his K-9 Oscar, responded to the scene to assist. I located a black digital set of scales right next to the front right tire of a white Buick that was parked stationary behind the Chevrolet prior to the officers' arrival. The Buick was not occupied and the subject and I were the only two individuals on the lot of the church.

Officer Wolf conducted a K-9 search of the vehicle and K-9 Oscar alerted on the driver seat of the vehicle which, based on my experience, lead me to believe that the subject was either storing marijuana in his pants or had stored marijuana in his pants prior to the field contact. Officer Jones retrieved the subject's identification from his pocket, which identified him as Terrance Mock. Officer Sizemore and I took Mock in between two church vans that were on the lot and had him remove his pants and his underwear in order to conduct a thorough search of his person. During the course of our search, I located a large plastic baggie containing marijuana in Mock's underwear right below his scrotum. I retrieved the baggie of marijuana and temporarily placed it into an evidence bag.

Mock was cited at the scene for misdemeanor possession of marijuana, possession of drug paraphernalia and driving while license revoked. 17.52 grams of marijuana along with the digital scale were logged in as evidence.

I am a sworn law enforcement officer with the High Point Police Department and has been so since 2004. In February 2009 I was assigned to the Street Crimes Unit, which focuses on street level narcotic complaints. I have been the primary officer in two hundred narcotic related arrests since 2004. I have assisted with the execution of over one hundred and fifty search warrant. I have been the affiant for at least 12 search warrants. I have obtained four (4) hours of Vice and
