the stalls. We made contact with Charles Hedrick and told him to come out of the stall. When he exited the stall, I could see a pocket knife clipped to the inside of his right front pocket with the top of the knife and the clip sticking out. I removed the knife for our safety and was later informed by loss prevention, that was the knife he had removed from the package and concealed. Upon a quick search of the stall Hedrick was in, the hatchet he had taken out of the package and concealed was found behind the toilet seat covers inside the toilet seat cover dispenser on the wall inside of the stall. I placed Hedrick under arrest for concealment of merchandise and transported him to the magistrates office. He received a written promise and a court date of 09/30/2014. I transported Hedrick to Highway 55 Burgers so he could ride with his friends home.
