	On the above date and time, I observed a red Ford Ranger traveling West on I-40 from exit 104. While observing the vehicle being driven, I noticed that the vehicle crossed over the white fog line twice while on I-40 and once while exiting I-40 at exit 103. The vehicle then made a wide left turn onto Burkemont Avenue and crossed the center. The vehicle also had a broken drivers side tail light that was admitting a white light from the rear of the vehicle. I stopped the vehicle <div style="text-align: right;">** Continued **</div>

CLARK, JAY ERVIN			105404

in the pva of Lowes. Upon approaching the vehicle I noticed that the operator (Jay Clark), had glassy eyes and slurred speech. I had Clark exit the vehicle. While patting Clark for weapons, I asked Clark for consent to search his pockets. He gave consent and I located a white bottle with several white pills in his right pocket. Clark reported the white pills were Xanax. I then had him perform several field sobriety tests which included the HGN, Walk and turn and the on leg stand. These test were performed poorly. I had Clark submit to a alco-sensor and it showed no trace of alcohol. Clark reported that he was on several different types of pain medication. It was my opinion that Clark was impaired on prescription medication. I placed Clark under arrest for the above charge and transported him to MDPS Headquarters. While at Headquarters, P.S.O Gillstrap performed further tests on Clark. Clark was then transported to CMC Morganton where he submitted to a blood draw. He was then transported to the Magistrates Office where he received a custody release bond and he was released to a friend. The blood sample in this case will be submitted to the SBI Lab for testing.
