the Belk store and returned them . Farag completed the transaction himself and issued a Belk Gift Card for the amount that the shoes were returned for. He put the shoes in the stock room and spent part of the gift card in the men`s clothing department later on in the day. After Farag made the purchase he placed the purchased items in the same stock room as the returned shoes. Upon leaving the store at the end of his shift, he returned to the stock room to retrieved his purchase. During this time he took the returned shoes out of the box and into his bag of purchased items, and left the store for the night. Ramsey informed me that another Belk associate approached him about the empty shoe box in the stock room. After investigation Ramsey traced the shoes back to Farag who admitted to taking them, and was wearing the shoes during his shift on 08/02/2014.
