	On 8/29/2014 at 8:40 pm, I was traveling East on E. Union St toward Kirksey Dr. I observed a red pickup truck making a wide left turn from Kirksey Dr onto E Union St. As the truck was making the left turn, it ran off the road to the right and nearly wrecked. The vehicle then over corrected and crossed over into the on coming lane before getting back into the proper travel lane. The red truck made a right turn onto E Fleming Dr from E Union St. I got behind the red truck as it was

making a left turn into the pva of By-pass Beverage on E Fleming Dr. I turned on my red and blue lights and initiated a vehicle stop.

As I approached the vehicle, I asked the driver for his license and registration. The driver fumbled through his wallet and located a bank card. The driver started to hand me the bank card but then placed it back in his wallet. The driver then retrieved his driver license and handed it to me. I identified the driver to be William Holbrook. I asked if he knew why I stopped him. He stated that I stopped him because of the turn he made. I waited a moment and then asked for his registration again. I attempted to engage in a conversation with Holbrook but he did not reply.

I asked Holbrook to step out of his vehicle. As Holbrook stepped out of his vehicle, he had his right hand on the door and left hand of the door jam. As he walked to the back of his truck, I asked him if he would be willing to perform Standardized Field Sobriety Tests. Holbrook refused the tests. As he was speaking, I could smell the odor of alcoholic beverage from his breath. I also noticed his red glossy eyes. Since he refused to perform any roadside tests, I placed him under arrest for DWI based on his driving and the smell of alcoholic beverage on his breath. I transported Holbrook to Burke-Catawba for the breath test. Holbrook asked to call his girlfriend as a witness. We waited for 30 minutes but she did not show up within the time limit, so PSO Gates administered the test. The test resulted in a .11 and a .10. I then transported Holbrook to the magistrate's office. Holbrook was brought before magistrate Duckworth and was given a custody release. I released Holbrook from my custody at the magistrate's office and cleared without further incident. Holbrook was also charged with failure to maintain lane control via E-Citation.
