	On July 19, 2014 at 1844, I got behind a moped traveling on Jamestown Rd near Dixie Blvd toward I-40. I noticed the moped traveled from the right side of the travel lane to the left side touching the yellow line and then jerked back to the center of the travel lane. I initiated my red/blue lights at the second entrance of the Jamestown Flea Market in attempt to stop the moped at White Tire on Jamestown Rd. During this time, the moped continued drifting inside the travel

lane. The driver of the moped did not react to my red/blue lights and continued past the entrance to White Tire. I then turned on my siren in attempt to get the drivers attention. Approximately 100 ft from Morgan Hills Apartments, the driver of the vehicle noticed I was trying to stop him. The driver made a jerking motion when he noticed I was trying to get him to stop. The driver made a wide right turn into the entrance of Morgan Hills Apartments and continued into the PVA. The driver finally stopped in a parking spot. I made contact with the driver and asked him for his driver`s license or ID card. The driver fumbled through his wallet and passed his license or ID card twice before he found it on the third time through the stack of cards. I determined the driver was Rex Orville George. While engaged in conversation with George, he would ask me to repeat most of my questions. George had his helmet on so I had him take the helmet off so he could hear me better. When George took off the helmet, I smelled strong odor of alcohol about his breath and noticed he had red glassy eyes. I asked George if he had been drinking. George reported he had 2 beers about 45 minutes before the stop. I asked George if he would submit to some field sobriety test in which he consented. George performed poorly on the tests. PSO Beaver administered a roadside PBT test which returned a positive reading for alcohol. I formed the opinion the defendant had consumed a sufficient quantity of an impairing substance such that his mental and physical faculties were appreciably impaired. I arrested George and transported George to Burke Catawba where PSO Beaver was the Chemical Analyst. I transported George to the Burke County Magistrates office. George was found to have been convicted of more than 3 DWI`s in the last 10 years. George was charged with Habitual DWI, along with DWI and an unsafe movement violation. I transported George to Burke Catawba where I processed him for a felony charge. I then placed George into the custody of Burke Catawba.
