### ARREST REPORT (Additional Narrative)

Agency Name <b>BURKE COUNTY SHERIFF'S OFFICE</b>	ORI <b>0120000</b>	Date/Time Arrested <b>06/09/2014 21:17</b>	OCA <b>201402296</b>
Arrestee Name <b>HUFFMAN, GERALD WAYNE</b>			Arrest Number <b>104735</b>

Upon arrival, the magistrate (Magistrate Eric Duckworth) spoke with us although the waiting area was very backed up. He agreed to issue one charge of Misdemeanor DVPO Violation for Gerald Huffman. As it was so busy, I just asked that he call when the warrant was issued.

At about 8:30 PM, I received a message that the warrant had been issued-due to calls and manpower issues it was nearly an hour later until I could go to the residence with another officer.

Myself and Deputy McMurtray arrived but had difficulty locating the residence he lived in. I noticed Elaine's daughter Beth outside with a dog, so I asked her and she pointed us to the correct driveway. Also I found that he was NOT forbidden to possess firearms (?) and he allegedly still had firearms in the residence.

As we pulled into the drive beside the trailer he lives in behind the main house, he first looked out the door at us (in our two marked patrol cars) and then went back inside. I quickly told DEP McMurtray that he did still possess firearms and we went in different directions around Huffman's vehicle which sat partially under an awning toward the door. Huffman's movements concerned me so I drew my weapon. I noticed him coming back through the living room in a quick manner with something in his hand. I pointed my weapon at him and activated my weapon light. As Huffman came out the door and I yelled "Sheriff's Office!" and could see that the object was a grey handheld spotlight with a pistol grip. AFTER I yelled this, he slowed momentarily but upon seeing DEP McMurtray he aggressively stepped out and pointed the light at him and yelled, "Don't you come in here on my property like that-pointing them lights at me!" He actually leaned out in an aggressive stance when doing this. I holstered my weapon and moved in upon seeing the spotlight was the only thing in this hand. I told him we had a warrant for him and I took his right wrist and began handcuffing him. He asked what the warrant was for but stiffened slightly and DEP McMurtray told him to put his hand behind his back and I did not see immediate compliance. I told him to bring his left hand back "or it would be bad." He released the light to DEP McMurtray and brought his hand back and we completed handcuffing.

At this point Huffman was compliant so we allowed him back in to get shoes and pants (he was in his underwear). DEP McMurtray got his pants and dentures and we unhandcuffed him to allow him to take care of these items. He pointed out that the handcuffs had already caused a spot on his forearm near the wrist to bleed. I noted that much of this was due to the condition of his skin but I agreed to put the handcuffs in front to prevent further bleeding, and prior to rehandcuffing, we allowed him to wash this area off in his sink. He declined bandaging which I offered to do. He was allowed to get shoes and we secured his home.

I transported him to the Magistrate's Office where Mag. Duckworth did the initial appearance. I placed him back in the patrol unit (he was having great difficulty getting in so I allowed him to sit first and slide backwards sitting at an angle-he said this was much better.)

Upon arrival at Government Drive, as I turned, he slid over and hit his head on the left side door. I stopped and asked him if he was okay-he said that he was. I stayed stationary and examined his head with my light through the shield but seen no cuts/bruises/etc. He said it hurt a bit but was fine, and declined further attention.

I documented this to the notes in CAD and delivered him to BCDCF.
