	I was driving past Jerrys Neighborhood Store and saw the defendant pulling out of the PVA onto White St. I watched him in my mirror as he ran the stop sign posted at White St and E Meeting St. I circled the block and saw the defendant (same moped, same helmet, same clothing) as he crossed the intersection of White St and Concord St. I started catching up to him as he turned right onto McDowell St. We came to a stop at McDowell St and Green St for a red light. I had turned on <div style="text-align: right;">** Continued **</div>

ARREST REPORT (Additional Narrative)

Agency Name Morganton Department Public Safety	ORI 0120100 B0003	Date/Time Arrested 09/19/2014 19:15	OCA 201406281
Arrestee Name JUAREZ, EFRAIN PEREZ			Arrest Number 107391

my red/blue lights and tapped my siren twice as we approached the red light. The defendant went across the intersection when the light turned green. The defendant did not pull to the side or pull off the road to any of the PVA's that were to the left or right. The defendant stopped at the red light for McDowell St and Sterling St. Once it turned green I tapped my siren again and he pulled across the street and off to the right side of the street.

He got off of his moped, but did not turn the engine off. He was unsteady on his feet and I saw his eyes were blood shot in appearance. I had him take off his helmet and detected the odor of alcoholic beverages about his breath. I administered 2 alcosensor tests and both results were positive for the presence of alcohol. During the time between the tests the defendant had to lean on the hood of my car for support. I was unable to have him perform any SFST's due to a language barrier.

I formed the opinion that he had consumed a sufficient amount of an impairing substance to appreciably impair his mental and physical abilities. I believe that he was impaired by alcoholic beverages. I placed him under arrest for DWI at that time.

He agreed to leave his moped at the scene. I moved it off the street and did find 4 unopened quart size bottles of Tecate under his seat.

I brought the defendant to BCDF and had a translator meet us there. I administered an intoximeter test with the assistance of the translator.

We went before the magistrate and the defendant was placed in jail under a secured bond.
