	On 08/13/2014, I responded to a motor vehicle collision on US Hwy 311 at Old Plank Rd. During the course of the investigation I spoke with the driver (Ms. De Osha Welch) of a Buick passenger car. While speaking with Welch I determined that she had a strong odor of marijuana coming from her breath. Welch explained the circumstances of the collision to the best of her knowledge. I noticed Welch had red, blood shot eyes and pin point pupils. Due to GCEMS evaluating Welch I could not

ARREST REPORT (Additional Narrative)

perform sobriety tests. EMS workers and firefighter on the scene stated to me that they thought Welch was high and would not cooperate with their questioning. Welch was transported to the hospital by EMS. I searched Welch's vehicle but no illegal items were located.

While at the hospital, I continued to smell a very strong odor of marijuana coming from Welch's mouth. Welch stated earlier that the owner of the vehicle (Ms. Lasha Womack) was in the car around 1500 hrs and had been smoking marijuana in the vehicle. Welch admitted that she saw the remainder of a blunt in the center console and ate same so she would not get into any trouble. Due to Welch's injuries, I was only able to conduct a seated horizontal gaze nystagmus test in which Welch showed positive result for vertical nystagmus.

Womack arrived at the hospital and I spoke with her about the incident and she showed no signs of impairment nor did she appear to have used any marijuana. Womack stated she could not remember the last time she used marijuana. When I told her what Welch had previously stated, Womack replied "she is lying to you". I arrested Welch for DWI where she consented to a blood draw. Welch was released on citation and cleared of all wants.

I met with Magistrate Price who signed the affidavit for the charge. I returned to the ER and provided Welch with her copy.

See the DMV-349, completed by Officer Cavillo for more information.
