	On 08/17/2014, I was assisting D platoon with a license checking station. A white Honda passenger car approached the license checking station. I found the driver of the white Honda to be Lauren Vassil, who admitted that her license were revoked. At this time I initiated a traffic stop. Upon speaking with her and the other occupants of the vehicle, I noticed two small pink pills, and a half of larger white pill. Because I was in fear that this evidence could be destroyed, and these

pills gave me probable cause to search the vehicle, I asked the occupants to step out of the vehicle. Upon searching the vehicle, I found a small amount of marijuana, along with other drug paraphernalia. The rear passenger admitted that the pill was a "Perk 10" and that the corn cob smoking pipe was hers, and was used to smoke marijuana. The other occupants of the car were arrested by PSO Storie and PSO GABRYSZEWSKI. I placed Vassil under arrest for driving while license revoked, and Simple Possession of a Schedule VI Controlled Substance. Though Vassil did not seem impaired at the time, Vassil's appearance was discheveled. It appeared that Vassil's nostrils were red and irritated. This is common in persons that snort pills. In the paraphernalia found in the vehicle were multiple straw-like items that had a white powdery residue inside, which could be consistent with the red, irritated nostrils. I transported Vassil to the Magistrate's office and took her before Magistrate Clark. Magistrate Clark placed her under a \$4000 secure bond. I transported Vassil to Burke Catawba and released her to the custody of Burke Catawba. I asked Vassil if she had a child, and Vassil reported that she did have a child, and the child was at home with her Mother. Vassil reported that she had a lot more free time now because her Mother, and the Child's Grandmother was watching the Child frequently. Vassil had multiple types of narcotics, drug paraphernalia, and contraband in her vehicle along with her Child's belongings. Vassil reported she has seen, and been around narcotics being sold and used on at least four occasions in the past two weeks. Vassil also reported there were children present during these transactions, but did not report that it was her Child. Vassil seemed to be very reserved in speaking about her Child, and would not give any further information about the Child. The marijuana has been entered into evidence under tag #21322.
