Arrestee Name	Arrest Number		
TOWNSEND, ROLAND RAY	107180		

Roland Townsend sitting behind the steering wheel. I spoke with Townsend and asked him if he had been involved in any altercation with another driver. Townsend stated that he had not been an any altercation. While speaking with Townsend I observed several open containers of beer in the vehicle. PSO Lloyd arrived on scene and spoke with Townsend while I spoke with the victim, Briana Frank. Frank stated that Townsend had threatened her after he had backed out of a driveway in Glen Alpine. Frank stated that Townsend then began to follow her and attempted to run her off of the road. Frank said she was afraid that Townsend may attempt to hurt her so she called 911. PSO Lloyd had Townsend exit the vehicle and Frank identified him as the driver. Frank said that Townsend threatened to hit her and followed her for several miles prior to pulling into the service station. I spoke with Murphy`s Express staff and they allowed me to view surveillance video of the fuel pumps. I observed Townsend pull up to the pump and stay behind the wheel as a passenger exited the vehicle to pay for gas. I returned to Townsend and asked him if he had drove the vehicle to where it was parked and he stated that he was the driver of the vehicle. I asked Townsend if he had been drinking and he told me he had one beer. I asked Townsend for consent to search his person for weapons and contraband and he granted consent. I searched Townsend and located a plastic container containing a dosage unit of Clonazepan. I seized the bottle and asked Townsend to complete field sobriety tests. Townsend agreed to take the tests. Townsend failed to satisfactorily complete the tests. I placed Townsend under arrest for DWI. I transported Townsend to CMC Morganton where he submitted to a blood test. At CMC Morganton Karen Sherill drew blood at 12:40 pm. I transported Townsend to the Magistrates Office where Magistrate Duckworth issued a \$1000.00 secure bond. I transported Townsend to Burke Catawba where he was confined. I entered the Clonazepam into evidence under tag# 21263.
