CARSWELL, SHANNON DARROLL				-	106214

moped. I turned my patrol vehicle around to check on the moped operator to make sure he was ok. The operator was on the moped with it cranked, and helmet fastened. I approached the operator, found to be Shannon Carswell, and began to ask him if he needed any medical attention. While speaking with Carswell, I observed he had red glassy eyes, slurred speech, and had a strong odor of alcoholic beverage about his breath. I asked Carswell to step off the moped, and walk to the front of my Tahoe. As Carswell was doing this, he stated, "Please do not give me a DWI." I asked Carswell if he would consent to an alcosensor screening, he consented which gave a positive reading. I asked Carswell if he would consent to a battery of SFSTs, he consented which he performed poorly as noted on DWIR form. Due to Carswell nearly striking the car at the stop sign causing him to flip off his moped, his red glassy eyes, slurred speech, strong odor of alcoholic beverage about his breath, performing SFSTs poorly, I had developed the opinion that Carswell has consumed a sufficient quantity of an impairing substance that his physical and mental faculties were appreciably impaired. I placed Carswell under arrest for DWI and placed him in my Tahoe.

Upon searching Carswell's moped, I located a 12 pack of Budwiser that had only 7 cans remaining. As I was placing Carswell's wallet into the passenger seat of my Tahoe, I could see and hear Carswell shifting his weight in my vehicle. I opened my prisoner door and observed that Carswell has placed the handcuffs in front of him. I had Carswell get out of the vehicle. I advised him he needed to keep the cuffs behind him and not infront for his and my safety. As I was uncuffing one of the cuffs with PSO Conner's assistance, Carswell would not place his right arm back behind his back and tightened up. To prevent any further incident, I took my right leg and swept Carswells legs out from under him, lowering him to the ground. As I did this, PSO Connor and I were able to gain control of his right arm and place it back into the handcuffs. We placed Carswell back into the Tahoe and I transported him to Burke Catawba Confinement Facility.

While enroute to Burke Catawba, Carswell would make statements that he would not go into Burke Catawba that he would hurt anyone who attempted to make him stay. Carswell then stated that I was ruining his life because he would lose his family, and that when and if he got out of jail he would comment suicide by cop. We arrived at Burke Catawba, Carswell then began to say that if he saw PSO Connor and myself out of uniform he would remember our faces. While at Burke Catawba, I asked Carswell if he would consent to chemical analysis of his breath, he consented which resulted in .12 BAC. As I was finishing my paperwork at Burke Catawba, Carswell stated he had drank several beers and a half a pint of liquor approximately thirty minutes before the stop.

I transported Carswell to the Magistrate's Office where he recieved a custody release. Magistrate Whiteside put in the conditions of release that he had to be held in Burke Catawba HTS (hold till sober) until 1:00am. I transported Carswell back to Burke Catawba Confinement Facility and released him to their custody.

I was unable to locate a VIN number on Carswell`s moped. I will also be submitting a DA Packet due to Carswell being a habitual DWI offender.
