BRAUN, ROSEMARY CATHLEEN				105171

was walking back to the accident scene from her house. EMS advised me Braun had changed her clothes since the accident. I advised both drivers to pull their Vehicles in the PVA of the Gas Station near Evans St. While in the PVA I spoke with both parties involved and noticed Braun had slurred speech and was unable to concentrate. While I was printing out the drivers information Braun spoke with PSO Goforth. After speaking with Braun he advised me he to noticed an odor of alcohol coming from Braun. After exchanging drivers information I advised Fox he was free to leave. I then initiated SFST's on Braun (Horizontal Gaze Nystagmus, Walk and Turn, and One Leg Stand). Braun performed poorly on all three tests. PSO Goforth then initiated an Alco-sensor test on Braun. The test revealed that Braun had alcohol in her system and she was almost double the legal limit of driving while impaired. I then formed the opinion that Rosemary Braun had consumed a sufficient quantity of an impairing substance so that her mental and physical faculties were appreciably impaired. I placed Braun under arrest and transported her to Burke Catawba for an Intox EC/IR II test. The Intox EC/IR II also showed a high quantity of alcohol in Braun's system. I then transported Braun to the Magistrates office where she was charged with DWI. Braun received a custody release but was unable to find someone in time to be picked up at that location. I transported Braun to Burke Catawba where she was able to notify someone to pick her up.

The time I was with Braun she felt worried about her mother. I contacted Morganton Public Safety and requested someone to perform a welfare check. PSO Gabryszewski made contact with subject and advised there was no problem she was asleep.
