STYLES, CHRISTOPHER CHARLES				105156

Before I arrived I had dispatch check Christopher Styles for warrants. Styles did in fact have one warrant for larceny. I arrived on scene and immediately placed him under arrest and advised him what he was being arrested for. I called his dad to have him come by the gas station and pick up his belongings while PSO Gabryszweski stood by until he arrived.

I then transported Styles to the Magistrate's Office where his warrant was served. While we were there he kept dry heaving and saying that he was going to throw up and that he had pancreas cancer. He advised me that he needed to go to the hospital. Styles was very hostile after his bond was set and began screaming that he did not get to tell his side of the story and that he still needed to go to the hospital. I called Sgt. Buchanan to see if he wanted me to take him to the hospital and he had EMS en route to see if the subject was fine. EMS arrived and wanted me to ride with them to the hospital.

Once we got to the hospital Styles threw himself off of the hospital bed and said the reason that he fell was due to the handcuffs being placed behind his back. The subject kept begging the doctor for pain medication. Eventually the doctor came in and advised myself and Sgt. Buchanan that he did have a small case of pancreatitis but he did not see any signs of cancer.

I then transported Styles to Burke Catawba where he was held under a \$3,000 secured bond.
