asked the driver if it was his vehicle and he said "no, it's my dad's." I advised the driver that I stopped him because the vehicle's registration was expired and there was an inspection violation. I asked the driver for his driver's license and registration card. The driver said that he did not have his license with him and did not know his license number. The driver handed me the registration card for the vehicle and I asked for his name and he replied "Zac Buchanan." I then asked for his date of birth and he said 12/13/1988. I told him to hang tight and I would be right back with him. I went back to my patrol car and began searching for a driver's license under the name and date of birth he gave me. I was unable to get any matches through NCIC matching that name and date of birth so I began to look in RMS. While searching in RMS, the driver's side door of the vehicle opens and the subject got out. PSO S. Hunt told him to get back into the vehicle multiple times but he ignored her commands and began running. I got out of my patrol car an engaged in a foot chase while PSO S. Hunt called it in on the radio. I seen the subject run into the woods going towards Dixie Blvd. Incoming units began to set up a perimeter and I decided to go back to the vehicle and try to find positive identification of the driver.

I got back to the vehicle and PSO S. Hunt told me that she thought it looked like Steve Woody. I was able to find a phone number for the registered owner of the vehicle. I called the owner of the vehicle and he advised that the only person that would be driving it is the guy that is working on it for him. I asked who was working on it and he advised Steve Woody. Upon searching the vehicle for positive identification, I found his driver`s license in the center console with a pill bottle full of 9mm ammunition and a magazine with (4) 9mm bullets in it. There was also a box of Hornaday critical defense 9mm ammunition with 8 bullets missing. I made all units aware that he may possibly have a firearm in his possession. Woody has a history of carrying firearms with him and was recently caught with a 9mm firearm by PSO S. Hunt.

K9 Officer Ennis, PSO Suttles and I started a track from the vehicle into the woods. We were on a track while other units secured the perimeter. PSO Kinard was checking behind Momentive chemicals on Industrial Blvd. and seen Woody walking. Woody saw PSO Kinard and took off running back into the woods towards Dixie Blvd. PSO Kinard was able to keep him in sight and Capt. DeVinney and Investigator Brown held Woody at gunpoint and had him walk out of the woods with his hands up above his head where we could see them. Investigator Brown told Woody to keep his hands up and get on his knees. Woody complied with commands and went down to his knees and I placed him under arrest.

I transported Woody to the Magistrate's Office where I swore out a warrant for arrest for resist, delay and obstruct, fictitious information to an officer and expired registration card/tag. I served Woody with that warrant and 4 others that were in NCAWARE. Woody was issued an \$11,000 secured bond and advised of his court date on 10/07/2014 at 0900. Woody was then transported to Burke Catawba Jail.

The owner of the Toyota pickup truck came by to get his vehicle and advised that the 9mm ammunition in the truck was his. I gave the ammunition back to him along with the magazine and keys to the truck.

All subjects information has been verified and updated.
