Arrestee Name	•		Arrest Number
CASTRO, ALEJANDRO LOPEZ			106746

barricade and entered the work area. After the vehicle traveled around the barricade it attempted to driver into the area where the workers were digging a hole in the road. The workers yelled for the driver to stop. The vehicle stopped and then backed up and struck a city truck. After the collision the vehicle pulled across the street into a driveway. Sgt Massey approached the vehicle and observed Alejandro Castro in the back seat of the van. I walked over to the van and made contact with Castro. I asked him to exit the vehicle so that I could speak with him. While outside the van, city workers identified Castro as the person who was driving the van. I asked Castro what happened and he said he was driving the van and backed into the city truck. Castro pointed to the truck parked across the street. While speaking with Castro I could smell a strong odor of alcohol coming from his breath. I asked Castro how much he had drank and he told me he had one beer. I directed Castro to walk to the front of my car so that I could conduct field sobriety tests. While walking to the front of my patrol vehicle Castro stumbled and nearly fell down. While at the front of the car I attempted to begin field sobriety tests. Once I began the test Castro did not follow directions. Castro did not seem to understand what I was saying. Prior to field sobriety tests Castro seemed to understand what I was saying and also responded to questions in English. I asked Castro if he would be willing to give a breath sample for Alco Sensor testing. Castro complied and the result was .22. Approximately 8 minutes later I had Castro give another breath sample and the result was .22. I contacted a spanish interpreter and had them meet me at Burke Catawba. I arrested Castro for DWI and transported him to Burke Catawba. While at Burke Catawba I asked Castro to complete field sobriety tests with the assistance of the interpreter. Castro failed to satisfactorily complete the tests. At Burke Catawba I asked Castro to submit to Intoximeter testing. Castro agreed and gave two adequate samples and the results were .20. I transported Castro to the Magistrates Office where Magistrate Webb issued a \$3000.00 secure bond. I transported Castro back to Burke Catawba where he was confined. Witnesses at the scene said that they never lost sight of Castro and observed his actions until police arrived on scene. See DMV 349 under same OCA# for more information on the collision and witness information.
