POE, MALETA ANN					105911		

I stopped the car on Kirksey Dr just past Shore Dr. I approached the passenger side of the car and explained to the driver why I had stopped her. She stated she knew why I had stopped her, that her daughter had called in to report her. She told me that her name was Maleta Poe and that her license was suspended for DWI. She stated she had drunk too much today when I asked how much she had been drinking. I did notice an odor of alcoholic beverages about her and saw that her eyes were bloodshot in appearance. Once my back up arrived I had her exit the car.

The defendant refused to participate in any roadside field sobriety tests. I formed the opinion that she had consumed a sufficient amount of an impairing substance to appreciably impair her mental and physical abilities. I believe that she was impaired by alcoholic beverages. I placed her under arrest for DWI at that time.

- I found her license was indeed suspended for DWI and had Buffs Towing contacted to come seize the car. SInce the defendant was a registered owner of the car it was not stolen.
- I transported the defendant to BCDF and she submitted to an intoximeter test after calling several people during her observation period. We then went before the magistrate and she was given a custody release to a male friend that met her there.

The defendant left the magistrates office before I could return her medication bottle that had been in her pocket when I arrested her. She had refused to give me a phone number when she was in custody so I had no way to contact her. I placed the medication into evidence under found property tag # 21308. It can be returned to her if she comes by the department to find it.
