STAMEY, ABRAHAM WILLIAM			105170

Stamey complied with the test and the FST indicated a positive reading for alcohol. PSO Miller also had Stamey perform several field sobriety tests. Due to Stamey complaining of a knee injury he could not preform the full SFSTs. Stamey performed poorly on the tests given. I then formed the opinion that he had consumed a sufficient amount of an impairing substance, which impaired both his mental and physical faculties. I believed the impairing substance to be alcohol.

Stamey was taken into custody and transported to Burke Catawba for testing. Stamey provided two valid breath samples on the Intox EC/IR II. Both test showed a BAC of .13. He was then taken to the Magistrate and charged with the above charges. Stamey was later confined at Burke Catawba awaiting a custody release.
