NORTHINGTON, WILLIAM EDWARD				107227

that he had a knife in his pocket. I asked Northington if he would put the bag down and step away from it for my safety and he complied. I again asked if he had any other weapons and he stated that he had a loaded .38 caliber pistol in the bag that he had laid down. I asked Northington if he had a concealed weapons permit and he stated that he did not. Knowing that Northington had a loaded firearm in his bag, and that I had a backup officer close by, I engaged Northington in conversation until PSO Vue arrived. PSO Vue arrived shortly and I advised him to check the bag for the firearm. PSO Vue again asked Northington if he had any weapons and he stated that there was a loaded pistol in the front pocket of his bag. PSO Vue secured the firearm and verified that the weapon was not reported stolen through NCIC. Northington stated several more times that he worked for two old men that were federal agents. Northington stated that he bought drugs with his own money and then turned the dealer over to them for arrest. Northington stated that the federal government moved him around the country several times to keep him safe. Northington stated that he had no names and no phone numbers for the federal agents that employed him. I placed Northington under arrest for carrying a concealed weapon. I transported Northington to the Magistrates office where I served him with his warrant. Northington spontaneously admitted to me on three occasions that he was not going to fight this charge in court because he was guilty of carrying a concealed weapon without a permit. I transported Northington to the Burke Catawba District Confinement Facility where he was held under a \$1,000.00 secured bond.

The pistol, ammunition and magazine have been logged into evidence under tag # 22845 and placed into the evidence locker # 6.
