RUDISILL, JUSTIN ALEXANDER				107089

was located in the storage building where a cell phone was located with a picture on the screen of a family that PSO Stotts recognized. When asked about the phone, Rudisill stated it was his. When PSO Stotts informed him that he knew the people in the picture in the background, Rudisill then recanted and stated that it was not his phone. PSO Stotts made contact with the victim who stated that her cell phone had been stolen the day before at the Greenway by 2 white males. One of the males matched the description of Rudisill. Rudisill stated that his friend, "Cotton", had stole the phone, not him. Rudisill was intoxicated during this and continued to say it wasn't his phone. I explained to Rudisill that since he knew it was stolen and it was in his property where he was staying that it was considered possession of stolen goods. I transported Rudisill to the Magistrates office where he received a \$3000 secured bond. I transported Rudisill to Burke Catawba where he was confined.

PSO Stotts returned the phone to the victim, however the SD Card from the back had been removed. Also located inside of the storage unit that Rudisill was in, was a newer box that had contained a Blackberry. The serial number from this was BB9530T. This phone was not recovered.
