## ARREST REPORT (Additional Narrative)

Claypoole, and she said she did not know of anything going on with any other vehicle. Claypoole eventually said it was a road rage incident and that Duncan cut her off in traffic. Claypoole said that she did not know the driver. The passenger with Claypoole, Christen Coffey, said she did not know Duncan either. Both Claypoole and Coffey said that the driver of the other vehicle threw something on their vehicle while at a red light. There was a soapy substance on the vehicle but no damage was done.

Duncan drove back to headquarters and spoke with Sgt McNeely. Duncan told Sgt McNeely that Claypoole and Coffey waited on her to get off from work at Rent-a-Center and when she came outside they damaged her car, threatened her, and tried to fight her. Duncan said she hurried to her car to drive away and this is when Coffey grabbed the windshield wiper and broke it. Coffey also put gum on Duncans car and also threw a drink on the hood. After Duncan drove away, Claypoole and Coffey followed her for several miles until I came into contact with them. Duncan said Coffey had been threatening her on facebook and also calling her phone saying she wanted to fight her and "kick her ass."

Sgt McNeely advised Duncan that she could go take out warrants on Coffey. Duncan said she did wish to press charges so I took Coffey into custody. Duncan took out a warrant for arrest for communicating threats, damage to personal property and threatening phone calls.

I transported Coffey to the Burke County Magistrates Office where I advised her of her bond and court date. There was a bail bondsman at the Magistrates Office that bailed her out. Coffey was not transported to Burke/Catawba Jail.

Claypoole also said she wanted to press charges for damage to property because she claimed Duncan threw something on her car as well. However, the Magistrate denied those charges.
