CORDRAY, OONA			107241

I approached the car and introduced myself and advised Cordray of the reason for the stop. I could immediately smell a strong odor of an alcoholic beverage coming from inside of the vehicle. I asked Cordray if she had been drinking and she stated she had a couple of drinks. The passenger of the vehicle stated that he had several drinks and liquor shots. I continued talking to Cordray and was able to determine the odor of alcohol was coming from her breath.

I asked Cordray if she would give me a breath sample for my Alco sensor and she agreed. The test result was positive for alcohol, confirming her story of drinking alcohol beverages. I asked Cordray to conduct some field sobriety tests and she agreed, she performed poorly on the tests given. It was my opinion that Cordray had consumed a sufficient quantity of an impairing substance so that her mental and physical faculties were appreciably impaired. I detained Cordray and transported her to Burke Catawba Detention Facility for further testing.

I read Cordray her Miranda Rights and her Right of a Person to Submit to a Chemical Analyst. I asked Cordray for two breath samples for the EC/IR II and she complied. The breath samples were .13 BAC and .12 BAC. I then transported Cordray to the Magistrate's office where she was charged with DWI, Speeding and she was given her release conditions. While at the Magistrate's office, Cordray was laughing and joking with the passenger of the vehicle. At one point Cordray got very loud and began to swear. The Magistrate called her down for the same. I transported Cordray to back to BCDF and left her in their custody.
