along with a stun gun. The bottle contained three different types of pills which were identified to be 30 Oxycodone 5mg, 6 Oxycodone 10mg, and 8 xanax. I then placed Douglas under arrest for the above charges. Myself and PSO Lanning spoke about the domestic situation and decided that it was just a verbal argument, and that there was no assault that occurred. I transported Angley to the Magistrate's Office where he received a \$2,500.00 secure bond. He was then transported to Burke Catawba Jail where he was confined. The Narcotics and stun gun was entered into evidence under number 2449.
