strong odor of alcohol coming from inside the vehicle. I asked Reynolds to exit the vehicle so that I could determine if the odor was coming from inside the vehicle or from Reynolds breath. While speaking with Reynolds outside the vehicle I could smell the odor of alcohol coming from his breath. I asked Reynolds if he had been drinking and he responded by looking down and shaking his head no. I asked Reynolds to submit to a Alco Sensor test and the results showed positive for alcohol. I also noticed that Reynolds seemed lethargic and his eyes were red and glassy. I asked Reynolds to complete field sobriety testing and he agreed to take the test. Before Reynolds started the test he told me that he was taking medication that may affect his performance of the test. Reynolds also told me that he was " 40 years old" and " Im too old for this". Reynolds failed to satisfactorily complete the test. I arrested Reynolds and transported him to CMC Morganton where he submitted to a blood test. At CMC Morganton Courtney Whaley collected the blood sample. I transported Reynolds to the Magistrates Office where Magistrate Whitesides issued a Custody Release. Reynolds was released to the custody of his mother.
