alerted on the passenger side floor board and the console of the vehicle. Myself and officer Ennis searched the vehicle and found a methamphetamine pipe in the floor board and a small amount of methamphetamine in the console of the vehicle. I then transported Hendrix to headquarters for questioning. Hendrix agreed to the interview and related information to her that could potentially aid the task force. I then transported her to the Magistrate's Office were I served the warrant. I then transported Hendrix to BCDF where I finger printed and photographed her. Hendrix was released on a written promise. I escorted Hendrix to Jay's Pharmacy and released her from my custody.
