with the vehicle still running. I knocked on the window several times in attempt to wake her up. Each time I knocked on the window the female subject sat up with her eyes still closed attempting to turn on or off something in the vehicle. The female finally came alert enough to roll down her window and turn down the music playing in the vehicle. I asked the female for her ID twice. The first time she handed me a CD, and the second time she handed me a business card. While her window was down, I could smell a faint odor of an alcoholic beverage on her breath. Sgt. Lackey then approached the vehicle and ordered the female to step out of the vehicle. When the female stepped out of the vehicle, she was very unsteady on her feet and grabbed ahold of door frame to keep her balance. I asked the female if she had consumed any alcohol that night and she stated that she had not. While outside of the vehicle, I noticed that there was a 3 year old child sitting in the back seat, buckled up, asleep. Sgt. Lackey then went to his vehicle to grab his alcosensor. The female subject agreed to blow into the alcosensor, where she blew a .17.

After Sgt. Lackey administered the alcosensor, I then took the female subject in front of Sgt. Lackey's vehicle to administer field sobriety tests, where there was adequate lighting. The first tested that I administered was the Horizontal Gaze Nystagmus test. I asked the female subject if she had any problems with her eyes, and if she could see the top of my pen and she stated that she could but the only thing she was going to stare at was me. After asking her if she understood the test, I began the test and she failed to follow my instructions on this test. After she failed to complete the Horizontal Gaze Nystagmus test, I informed her of the next test that she was going to perform, the Walk and Turn test. I demonstrated the test to her and she stated that she understood. After she stated she understood the test, I told her she could begin. She walked nine steps down the line, missing heel to toe each time. Once she got to the ninth step, she turned around, off of the line, and walked normal back to the front of the vehicle. When she got back to the front of the vehicle, she stated that she was done and was not going to complete the rest of the test. I then informed her of the next test, the One Leg Stand test. I asked her if she had any problems with her back or knees or if she had problems standing on one foot and she said "I've had problems with my whole body for years and I've never been able to stand on one foot". I then asked her if she was going to perform this test and she said "No". After she stated she was not going to complete the last test, I placed her under arrest. After placing her under arrest, she then informed me that her name was Marissa Fife.

Sgt. Lackey and PSO Hall stood by the vehicle, in order to wait on the wrecker and for someone to pick up the child. After attempting multiple times to get in contact with one of Fife's family members, Sgt. Lackey contacted the on-call DSS worker. The on-call DSS worker came out to 606 East Meeting Street and took the child back to their office in order to contact a family to pick up the child.

I then transported Fife to Burke Catawba, where I met PSO J Thompson. PSO J Thompson asked Fife if she would agree to provide two breath samples on the Intox EC/IR-II, where she agreed to do so. Fife provided two breath samples, with a both resulting at .16.

While at Burke Catawba, Sgt. Lackey informed me that this was Fife's fourth time being charged with Driving While Impaired. The vehicle was also seized due to Fife's license being currently suspended for Driving While Impaired.

After PSO J Thompson administered the test, I then transported Fife to the magistrates office. While at the magistrates office, Magistrate Whiteside found probable cause for Driving While Impaired and misdemeanor child abuse. I served the warrants for arrest on Fife and transported her to Burke Catawba for processing. After fingerprinting and photographing, Fife was placed in the custody of Burke Catawba on a \$1500 secured bond. Fife is order to appear in District Court on December 8, 2014 at 9:00am.

On August 28, 2014, I met Fife at 606 East Meeting Street and placed her under arrest for Habitual Impaired Driving. I then transported Fife to the magistrate's office, where I served the warrant for arrest for Habitual Impaired Driving. After serving the warrant for arrest, I transported Fife to Burke Catawba where she was placed in their custody on a \$25,000 secured bond. Fife is ordered to appear in District Court on September 2, 2014 at 9:00am.
