NARRATIVE

I was dispatched to 2200 Westchester in reference to a white female inhaling computer cleaner on the sidewalk. The suspect was so intoxicated that she was laying on the ground in the pouring rain. able to removed the spray from her hand and asked if she needed EMS because she was throwing up. Emily denied EMS and was arrested and taken to the magistrate office without incident. After a check it was determined that Emily was on probation for inhaling toxic spray and out on bond for the same thing. Emily was also cited and released earlier this day for the inhaling toxic chemicals. The three dust off spray cans were thrown away because they were covered in vomit.
